ADOPT A FRIEND

We are assisting one of our select employee groups, the Independent Cat Society (ICS), to find homes for loving kittens and cats. We want to help our members add that extra amount of love into the family as only a cat or kitten can do. Every week, Allegius also posts a picture and profile for the "adopt a friend Friday" on our Facebook page.

Amelia is a 6½ year-old beautiful blue princess. She came to the Independent Cat Society approximately four years ago with her two kittens. She is sweet, playful and loving. She would prefer to be in a house where she is the only kitty cat.

Additional details of Amelia and Cinnamon, along with other potential friends are available at Independent Cat Society's website and Facebook page. Their facility is located at 4061 S. County Line Rd., Westville, IN. They are still asking for appointments on Saturdays from 10:00 a.m. to 4:00 p.m. and Sundays from 1:00 p.m. to 4:00 p.m.

Cinnamon is a stunning 2 year-old little girl who came to the Independent Cat Society as a stray in April. She was initially quite shy but she is starting to really open up. With a little patience, she would make someone a wonderful companion.

**All applications are subject to a review process. The review helps find the best homes for the cats and gives you and your family a chance to carefully think about your decision.*
